RE: Discussion of Certificate of Need for Comprehensive Health Care Facilities - 410
IAC 40 (LSA #19-685)

The Indiana State Department of Health (ISDH) is presenting the Certificate of Need for Comprehensive Health Care Facilities to Executive Board for discussion. This rule is being added to implement the certificate of need program required by IC 16-29-7.

ISDH received moratorium exception approval on December 17, 2019; however, the fee portion of the rule is still under review by the Office of Management and Budget.
